### **Documents/attachments/exhibits in excess of 1.5 Mb**

(See Also *Electronic Filing Rule 5*)

All documents must be electronically filed. If the document exceeds 1.5 Mb (1,536 Kb), then it must be divided into segments with the first segment as the main document. All subsequent segments will be attachments to the main document. Each segment should not exceed 1.5 Mb. This rule does not alter Local Rule 7.1(d) which limits the length of briefs to 20 pages absent a court order.

**Note:** Filers must not attach any pleading or other paper already on file with the court. Merely refer to that document number.

### **E-Mail Notification of Documents Filed**

(See Also *Electronic Filing Rule 8*)

ECF will electronically transmit the Notice of Electronic Filing to the filer and other attorneys and parties to the case who have supplied their e-mail address to the court. The ECF filing report also displays the names and addresses of individuals who will **not** be electronically notified of the filing. It is the filer's responsibility to serve hard copies of the pleading and the Notice of Electronic Filing on attorneys and parties who are not set up for electronic notification.

Individuals who receive Notice of Electronic Filing are permitted one "free look" at the document by clicking on the associated hyperlinked document number embedded in the Notice of Electronic Filing. The filer is permitted one free look at the document to verify that the pleading was properly docketed. The court strongly urges you to copy the Notice of Electronic Filing and documents to your hard drive for future access. Subsequent retrieval of the case docket sheet and pleadings from ECF must be made through your PACER account and is subject to regular PACER fees.

**Note:** It is the filer's responsibility to serve hard copies of the pleading upon attorneys and parties who are not registered for electronic notification.
